Explore Zionsville parks with Tails on the Trails

Grab your pup, a leash and some walking shoes – Zionsville Parks & Recreation Tails on the Trails event starts Saturday, Sept. 1 and continues through Oct. 31.

Tails on the Trails encourages dog owners to get outside this fall and explore Zionsville parks. Dog walkers can walk on their own, or participate in weekly scheduled dog walks throughout Zionsville’s parks and trails. The first walk takes place on Sept. 1 at 10 a.m. at Elm Street Green. Other walks include:

- Oct. 2 at 10 a.m.: Big-4 Rail Trail North
- Sept. 22 at 10 a.m.: Turkey Foot Park
- Oct. 9 at 6 p.m.: Creekside Nature Park
- Sept. 27 at 6 p.m.: Mulberry Fields
- Oct. 13 at 6 p.m.: Big-4 Rail Trail South
- Oct. 20 at 10 a.m.: Starkey Nature Park
- Oct. 30 at 6 p.m. (Halloween dog walk): Zion Nature Sanctuary

Weekly tips are posted on the Town of Zionsville Facebook page, and users are encouraged to share photos on social media with the hashtag #trailsonthetrails. Prizes are available to walkers who complete six of the eight walks, as well as to those who register and submit walks.

“This is our fourth year hosting Trails on the Trails,” said Park Naturalist Mindy Murdock. “It’s a great way for both people and dogs to socialize and to explore our wonderful parks.”
