### **Zionsville Park Board announces future new Lions Park tot playground**

The Zionsville Park Board has announced plans for a new “Zionsville Parks Tot Lot” at Lions Park. This playground for children ages 2-5, located at the northern edge of Lions Park, is owned and maintained by the Zionsville Parks Department and is currently undergoing a full redesign.

Design plans for the future tot lot currently include all new equipment, totally replacing the existing equipment with swings, a modular playset and slide and other freestanding play features.

Construction is planned to begin this year. Due to weather constraints, the timeline for completion is unknown at this time.

This project is part of the Park Board’s Five Year Master Plan. Funding was provided by the Town’s elected officials for this year’s budget cycle.

More information will be shared on the Town of Zionsville website as available.
