“The Town of Zionsville has enjoyed working with the Zionsville Lions Club, the Zionsville United Methodist Church, Zionsville Community Schools, Maplelawn Farmstead and all community partners to host the annual 4th of July fireworks,” said Mayor Emily Styron. “While this year’s event will look a little different, we know this long-running event is something residents look forward to year after year. Mulberry Fields will provide a great backdrop for spectators to social distance and remain safe during this fantastic local tradition.”

“We would like to thank our Partners in the Park for their continued support of the Zionsville Lions Club,” said Zionsville Lions Club 4th of July Chair Steve Gayheart. “We have seen a tremendous amount of collaboration with our community partners and would like to thank Mayor Emily Styron and the Town of Zionsville, Zionsville United Methodist Church, Zionsville Schools and Maplelawn Farmstead for their support and work to help the Lion’s club organize our 4th of July

fireworks. It will be a great show as always and we've already started planning to be back in Lion's park for next year's show!"
