

SATURDAY, AUGUST 19

STREAM CLEANUP REGISTRATION

The annual Stream Cleanup is central component of the larger Creekfest event being held at Elm Street Green. Creekfest is a celebration of Eagle Creek through recreation, stewardship and education and will feature activities for all ages including a stream cleanup, kayak demonstrations, DNR Backyard Bass Casting Station, Creekstomp for Kids, educational booths and more. Parking at Creekfest will be limited at Elm Street Green so carpooling, cycling or walking is strongly encouraged.

The stream cleanup is by registration only to allow for coordinating with participants to ensure a safe and productive cleanup effort. Participants may register their group or family by filling out and submitting the form below, registering online at www.zionsville-in.gov/creekfest or emailing the information to stormwater@zionsville-in.gov.

The cleanup will begin at 9:00 am and specific cleanup information will be emailed to registrants prior to the event about starting location, cleanup sites and transportation. Additional information and updates can also be found on the town's website at www.zionsville-in.gov/creekfest. Creekfest T-shirts (*limited to first 100 registrants*) and lunch following the event will be provided to cleanup volunteers.

Stream cleanup participants must register by August 10th.

STREAM CLEANUP TEAM REGISTRATION FORM

Team/Family Name: _____

Primary Contact/Team Leader Name: _____

Phone: _____ E-mail: _____

Number of Participants: _____

T-Shirt Sizes and Quantities (Adult Sizes Only): _____
