March 7, 2023

2023 Spring Brush and Limb Collection

Zionsville's Department of Public Works (DPW) will provide curbside Brush and Limb Collection **on Monday, April 10, 2023 and Monday, April 17, 2023** (depending on the neighborhood schedule). This service provides Zionsville residents in the **Urban Service District** a means to dispose of certain pruning and yard debris. All items must be placed curbside by 7:30 a.m. on the Monday of your designated week. Crews will work to collect all properly placed material no later than the following Friday but may complete this task earlier.

The limit on size is 6 inches in diameter and smaller. Grass clippings, leaves, decorative grass, vines, stumps, root balls, construction lumber, firewood and wooden fencing material will NOT be collected. Bundling is not required. Limbs up to 6 inches in diameter may be left intact but should be no larger than can be managed by one person. It is helpful if all limbs are piled facing the same direction for ease and safety of loading into the chipper.

This service is not intended for full tree removal or HOA common ground clearing. These types of tree work should be completed by a tree service contractor including hauling away material at the owner's expense. Brush and limb placed along common areas, commercial areas or any non-residential area will not be collected.
