

WASTEWATER

The Town of Zionsville maintains a flat **\$44.50** per month per residence.

TRASH/RECYCLING COLLECTION

Residents will have their trash and recycling collection provided by our contracted trash company – Waste Management. The monthly fee for both services is **\$9.90** and is billed by the Town of Zionsville. Waste Management will provide trash every week on your designated day and recycle collection will be every other week on the same day as your trash service. Collection will occur between 7 a.m. and 5 p.m. Please have all materials to the curb by 6:30 a.m.

Acceptable garbage includes ashes, garbage, rubbish, refuse, waste materials, cans, bottles, rags, paper and other ordinary household waste that is generated through normal use, as well as incidental yard waste. Unacceptable refuse: large hedge and tree limbs, grass clippings or shrub or brush removal.

There should be a 95-gallon green container with a yellow lid at the home. This is designated for **recycling**. There is no additional charge for this container. As far as trash containers go you can purchase your own (there are no specifications on the size), rent directly from Waste Management by emailing customerserviceRS_GLA@wm.com (the cost is \$96 per year with a \$30 delivery fee) or you can set out up to 6 bags. If for some reason there is not a recycling container at the home, please contact [Mindy Klinedinst](#) at (317) 873-2469. Customers can get up to 2 recycle totes.

RECYCLING BIN ITEMS
